5) One aspect of the case requires to require consideration. The post of Sanitary Inspector & those of Asst Sanitary (Excise) Inspectors are in provincial Cadre. The recruitment & appointments in this Cadre are made by the Dir of Public Health & men in these Cadres are sent to work in municipalities & districts by the Dr of Health. It has therefore to be considered that they are eligible to increments in their respective grades wherever they may be posted to work

The proposal of the Comptroller to take away these appointments out of the purview of the provisions of Art 86 (a) of M.S.R. & to allow the officials holding such appointments to count service in different departments for earning increments in identical grades, may be accepted (perhaps)

Service Regulations to appointments held in different depts for purposes of earning increments.

(10) The question of amendments to Article 56 (a) of the Kenya Civil Service Regulations has come up in connection with the proposal to grant increments to Assistant Sanitary & Sanitary Inspectors who are borne on one provincial cadre and who are liable to be transferred from Govt to Local Bodies and vice versa.

(11) Article 56(a) of the K.C.S.R. runs thus:-

"When, however, the conditions of an officer's service are such that he is liable to be transferred in the same Dept between appointments of which the pay increments are identical, his service will, in the case of such transfer, count for increments as if he had not been transferred."

This corresponds to Article 157 B (a) of the Civil Service Regulations.

WD 01809—GPB—60,000—26-1-43

12) As the rule stand at present, it is A, an official drawing pay of Rs 485/- in grade Rs 30 3-60 in the office of the Rev Commissioner is transferred after a period of 6 months) to the Mayurai Dist Division. on the same pay to a post carrying an identical scale of pay, he will not be entitled to an increment of Rs 3/- after a period of 6 months' service rendered by him + in the Mayurai Dept, on the ground that he has not drawn Rs 485/- in the same Dept for a period of one year. In such cases sanction of Govt is sought for separately to admit the increment being drawn. The result is that a good deal of correspondence & delay are inevitable.

13) Difficulties, inter. transfers among different adjoining Local Bodies may be allowed in respect of appointments which the pay & increments are identical, so as to admit increments on the

basis of service reckoned in both
or different depts

(ii) In this connection reference
is invited to Rule 26(a) of the
Fundamental Rules which
is as follows:-

"All duty in a post on
a time-scale counts for
increments in that time scale"

~~The above rule does not specifically state~~
~~that increments do not accrue in the~~
It is not known whether the
expression "in that time scale" appearing
in the above rule, refers to similar
time scales obtaining in the different
departments of Govt proper or similar
time scales e.g. pay in the Local Bodies
as well. But in the absence of
any restriction to the contrary, the
liberal interpretation would be that
the rule governs the accrual of
increments in the case of transfers from one
~~between different Depts~~ Local
Bodies, to appoint
one Dept to another or to Local Bodies
between appointments of which the pay
& increments are identical.

The according to Rule 422 of the Supplemental Rules the Secretary of State may substitute for any given limit of time such other limit of time as he thinks fit (a) in the case of a transfer of any post, other than a tenure post, in which the person holding the post at the time of the transfer has a lien on such post, if such person elects,

(b) a permanent or temporary post on the same time scale; or

(c) a permanent post other than a temporary post, or an identical time-scale, grade or a temporary post on an identical time-scale, such post being on the same time-scale as a permanent post;

occasions.

31) According to Fundamental
Rules 128 to 130, the same principle
equally applies in respect of transfers
to local bodies & vice versa.

31) From the above it may be
observed that wherever the Rules in
the Civil Service Regulations are not
explicit, the practice in Madras is to
have recourse to the Fundamental w
Subsidiary Rules. In this connection
it may be stated that a question
arose w/r to the identical time-scales
one attached to post w/r pay is
governed by the Civil Service Regulations
and the other subject to conditions prescribed

by the Fundamental [redacted] is to be treated as [redacted] the People Party to the Fundamental Rules, it has also called [redacted] the Auditor General that [redacted] are on identical [redacted] reasonable to hold that the [redacted] responsible for the posts are merely in nature, irrespective of the fact that the pay of the [redacted] government by the Civil Service Regulations and the Fundamental Rules, and duly released in case of [redacted] Therefore the allowance to cover [redacted] envisaged in the other [redacted]

32) The above note gives an idea as to how the Civil Service Rules and Regulations have supplemented by the Fundamental Rules. In Ghana there are no corresponding Fundamental or Subsidiary Rule to supplement the Ghana Civil Service Regulations. [illegible] in the Ghana Civil Service [illegible] in the Treasury Department [illegible] Local Government Service, it appears that

Amendment of Article 86 (a) of the Fly Service Regulations (A.I.2)

that fair that period service rights should be allowed to be counted for accrual of increments while belonging to newspaper, particularly when that first early salaried time-scale of pay. From experience it is found that a multiplication of Article 86(a) is necessary, as individual cases coming up to get first special sanction is there get and unequally staggering till accrual of increments in such cases unnecessary correspondence & time would be saved, if is now made absolutely in the light of the corresponding Rule in British Public.

4) If the Govt. were to agree with above suggestion, suitable amendment to Rule will be suggested for their consideration.

4e) These papers relate to the suitable amendment of Art.86(a) of M.S.R. so as to remove the hardship caused to the officials who are transferred in the interest of public service to different Departments. According to the existing Article, when Officers are transferred in the same Department between posts the pay and increments of which are identical, the previous service counts for increments. But, if the Departments are different the service does not count and in these cases references are being made to Government for sanction to count the previous service. To avoid the above inconvenience, hardship and delay to the officials, necessary corrections are proposed to be made to permit service in any Department in which the official had previously served in identical grades to count for increments. The Comptroller accordingly proposes the following amendment to M.S.R. which may be approved

The Article after amendment will read as under:-

" When however the conditions of an Officer's service are such that he is liable to be transferred in the same Department or in different Departments including Local Bodies between appointments of which the pay and increments are identical his service will in the case of such a transfer count for increment as if he has not been transferred. Sir,

I have the honour to state that according to Art.86(a) of .B.R., service in one Department does not count for increment in te identical grades in other Departments including a Local Fund. n accordance with Chief Secretary's letter No.R.4027/L.R.~~405~~124-36-2 ted 27-3-37 addressed to Revenue Commissioner and also G.O.No. 6/L.R.405-36-2 dated 5-7-37, sanction of Government is being btained in each individual case to count service in different partments for earning increments in identical grades. A doubt felt whether such similar sanction is necessary in the case of nitary Inspectors who are liable for frequent transfers from overnment to Local Bodies and vice versa. According to Para 3 Government Order No.L.4244-65/L.B.105-33-15 dated 17-12-34 the ppointments of Sanitary and Assistant Sanitary Inspectors are rme on one provincial Cadre and the incumbents are entitled to ir promotions according to their seniority in the department irrespective of their Service either rendered in the al Body or Government. It appears anamolous if service which ntitles these Sanitary and Assistant Sanitary Inspectors for omotion to higher grades does not count for increments in ntical grades especially in view of the fact that these class appointments as distinguished from others is one of Provincial e. I am, therefore, of opinion that transfers from one

Department to

Department to another (including Local Bodies) in the case of such appointments should be taken out of the purview of the provisions of Art.86(a) of M.S.R. and the officials holding such appointments may be allowed to count service in different departments for earning increments in identical grades. I request that orders of Government may be kindly communicated as the treatment of Art.86(a) in such cases is not quite free from doubt. The supplemental bill for Rs.17-5-0 on behalf of A.K.Sheriff, Assistant Sanitary Inspector attached to the Bureau of Epidemiology with this Office Objection Slip together with the reply of the Department is herein enclosed for perusal and return.

Sir,

Taking out of the purview of Article 86(a) M.S.R. the officials holding posts in which transfers from one Department to another including Local Bodies is common.

With reference to your letter No.Fl.5166 S.& A.2-43-20 dated 21-1-44 on the above subject, I have the honour to state that the rule in Article 157 (a) of the C.S.R. is the same as that in Article 86(a) M.S.R. But under Rule 26(a) of the Fundemental rules all duty in a post on a time scale counts for increments in that time scale. But whether the expression "in that time scale" in this rule refers to similar time scales obtaining in the different departments of Government proper or similar time scales of pay in the local bodies are also taken to fall within its scope is not quite explicit in the rule. If the expression is regarded as applicable to the time scales of

of pay obtaining in Government Departments as well as local bodies, the rule in the Fundamental rules referred to above may be considered to lend support to the recommendation made in this office letter No.112 A(III) dated 10-9-43.

As frequent reminders are being received from the Department of Public Health for the disposal of the bill bearing Token No.687 dated 15-6-43 sent with this office letter dated 10-9-43, I request you to kindly obtain orders of Government in the matter at an early date.

Interpretation of Rule 26(a) of the Fundamental Rules

I have the honor to state that according to Rule 26(a) of the Fundamental Rules, all duty in a post on time scale counts for increments in that time scale. But in Art.157B(a) of C.S.R. it is stated that "when however the conditions of an officers service are such that he is liable to be transferred in the same Department between appointments of which the pay and increments are identical, his service will in the case of such a transfer count for increments as if he had not been transferred. A doubt is felt whether the words "in that time scale" under Rule 26(a) F.R. includes similar time scales obtaining in different Departments of Government proper and also local bodies. I therefore request you to kindly intimate how exactly the above rule is being interpreted in Madras. The procedure followed in respect of grant of increments to officials transferred from one Department to another or local body in identical grades in the interest of public service may also be intimated with reference to any specific rules or orders issued in this behalf.
